(b) (6),

I have tried calling you several times this week, including 10 minutes ago, but have been unable to reach you. Can you please confirm your phone number and when you would be available this afternoon?

Thanks,

Mr. Zolandz,

I thought I'd try one more time...are you available for a phone call this afternoon?

Mr. Zolandz,

I tried to contact you a couple weeks ago. Since I haven't heard anything back, I'm trying again.

Would you be available for a phone call today? I tried the number Francisco Cruz gave me and I understand you are working from an alternate location. Is there a number where you can be reached today?

Thank you,

Mr. Zolandz,

I have some questions about EPA's follow up on a Show Cause letter sent last fall. I just spoke with Francisco Cruz, and he indicated you would be the best person to talk with. I understand you are working from an alternative location. Is there a number at which you can be reached today?

Thanks,
